**CALL FOR ERASMUS+ OUTGOING SHORT STUDENT MOBILITIES
BLENDED INTENSIVE PROGRAMME
WATER PLAZA: from utopian to dystopian futures
academic year 2025/26**

In the framework of the Erasmus+ Programme – KA131 Learning Mobility of Individuals, and on the basis of the results and the funds awarded under the project Erasmus **2025-1-I102-KA-131-HED-000306528**, a call for students' selection is published to assign contributions to take part into the BLENDED INTENSIVE PROGRAMME named ***WATER PLAZA: from utopian to dystopian futures*** hereafter referred to as "BIP".

The project seeks to develop possible futures of an iconic plaza in Lisbon. In an intensive design studio, accompanied by theoretical framework, students are asked to develop design scenarios in line with multiple hypothetical considerations and different development pathways until the year 2076. Particular attention is given to the matter of urban water management.

1. ELIGIBILITY CRITERIA

Applicants must fulfil the following compulsory criteria:

- To be duly enrolled in the **Master in Architecture Engineering** – (DICAr) University of Pavia for the entire duration of the mobility;
- To possess a proficiency in English language of at least a **level B1** of CEFR (Common European Framework of Reference for Languages). Students will be required to communicate and discuss fluently in English, take part in group activities and in general to treat any topic with ease.
- To be able to face the design process focused on public spaces.

2. DETAILS ABOUT THE MOBILITY

The BIP ***WATER PLAZA: from utopian to dystopian futures*** will take place **online on 8th May 2026** and in presence at the **Instituto Superior de Agronomia (ISA)**, University of Lisbon, Portugal, **from 8th - 12th June** (both included). The course will be considered completed and funded only if the participants will attend the full programme of the entire online part and of the training days in presence.

University of Lisbon will provide the students with a certificate of attendance including the total number of hours attended together with the topics treated and the number of ECTS obtained (3).

3. MOBILITY GRANTS

3.1 The mobility grant includes:

- The **individual support** is 79,00 € per day per student for a maximum of 7 days; 5 (five) full days of training + 2 (two) days of travelling, immediately before and after the beginning and finishing date of the course.
- a **travel support** as follows:

Kilometres	Green Travel	Non-Green Travel
Between 10 and 99 KM	56	28
Between 100 and 499 KM	285	211
Between 500 and 1999 KM	417	309
Between 2000 and 2999 KM	535	395
Between 3000 and 3999 KM	785	580
Between 4000 and 7999 KM	1188	1188
8000 KM or more	1735	1735

The kilometres are calculated using the [Erasmus Distance Calculator](#). By green travel it is meant travel that uses low-emissions means of transport for the main part of the travel, such as bus, train, bike or car-pooling. Proof of green travel is mandatory (tickets, etc.).

3.2 Mobility grants will be paid by the University of Pavia as follows:

- The **individual support** of €553,00 **before the beginning of the mobility in presence**
- The **travel support** of €309,00 **after the beginning of the mobility in presence**, provided that the participant has attended the Blended Intensive programme school for its entire duration and they are able to provide travel documents (e.g. boarding passes). **The grant must be refunded in case the student will not be able to join the mobility its entire duration (physical + virtual).**

3.3 The mobility grant is a fixed amount of money that cannot be incremented under any circumstances.

3.4 The University of Pavia will provide its outgoing students with insurance covering accidents, civil liability and other guarantees in accordance with its internal procedures.

4. ONLINE APPLICATION AND DEADLINE

The applicant is required to complete the online application form at the following link by the **31/03/2026** at 12:00 CET - noon.

Incomplete applications will not be taken into consideration

5. EVALUATION AND SELECTION

The selection will be made by a joint Committee established within the Department of Civil Engineering and Architecture headed by the Professor in charge of the BIP for the University of Pavia (Prof. Carlo Berizzi, Prof. Gaia Nerea Terlicher).

The following criteria will be taken into consideration:

- The motivation letter;
- Relevance with study program;
- The marks in the exams of *Architettura e Composizione Architettonica 1*, *Architettura e Composizione Architettonica 2*, *Architettura e Composizione Architettonica 3*.

In case of equal evaluation between two candidates, the Evaluation Commission reserves the right to give priority to those applications which add to the diversity of the study programme in terms of gender balance, year of study, and variety of mobility experience.

The Committee reserves the right to check the validity of declarations and supporting documents. False statements may lead to exclusion from the selection process and the award of the scholarship.

Each applicant will be notified about selection results and the grant in due time, via the email address provided in the application.

Selected applicants must then officially accept the awarded grant by answering via email.

6. PERSONAL DATA TREATMENT

Personal data submitted by the applicants will be used solely for application and selection procedures and institutional aims, and will be treated in accordance with the European General Data Protection Regulation no. 2016/679 art. 13.

7. PERSON RESPONSIBLE FOR THE PROCEDURE AND INFORMATION

Responsible for the administrative procedure, pursuant to Law 7 August 1990, n. 241 as amended by Law n. 15/2005 is Ms. Michela Cobelli, Head of the International Mobility Unit.
