Personal Data Processing Policy

Pursuant to Article 13 of Regulation (EU) 2016/679 and subsequent amendments and additions, we hereby inform you that the data provided by candidates is collected by the University of Pavia, the Data Controller, in compliance with the conditions of lawfulness set out in Regulation (EU) 016/679 and processed mainly by computerised and telematic means. Specifically, the data will be processed for the purposes of managing the selection procedure and, following the possible award of the position, for purposes related to the management of the relationship itself and for the performance of its tasks in the public interest or in any case connected with the exercise of its public powers, including the obligations required by law for the purposes of managing the administrative relationship, including archiving, historical research and analysis for statistical purposes. The data will be processed exclusively by staff and collaborators of the University or companies expressly appointed as data processors. Outside of these cases, the data will not be disclosed to third parties or disseminated, except in cases specifically provided for by national or European Union law. Please note that, in accordance with Legislative Decree 33/2013 and subsequent amendments and additions, and in compliance with the restrictions imposed by personal data protection legislation and the principles of necessity, relevance and non-excessiveness, the data relating to the appointment of the successful candidate in this procedure and their curriculum vitae will be published in the “Transparent Administration” section of the institutional website. The determination of the period of retention of personal data complies with the principle of necessity of processing. The data will be retained in accordance with the rules on the retention of administrative documentation. Data subjects have the right to request the data controller to access their personal data and to rectify or erase it or to restrict the processing concerning them or to object to the processing (Articles 15 et seq. of EU Regulation 679/2016). The specific request must be submitted in writing to the University of Pavia, Data Protection Officer, RPD- C.so Strada Nuova n. 65, 27100 Pavia, email: privacy@unipv.it. Data subjects also have the right to lodge a complaint with the Data Protection Authority in accordance with the procedures set out in Regulation (EU) 2016/679. Further information on the processing of personal data by the University of Pavia can be found at the following link: http://privacy@unipv.it.
